"Charter Universities: At What Cost? To Whose Benefit?"

Keynote address by Gary Rhoades, PhD

General Secretary, American Association of University Professors

Widely respected as a meticulous researcher, incisive writer, and engaging lecturer, Rhoades has served in higher education for more than 25 years as professor of higher education at the University of Arizona and director of the uni-

versity's Center for the Study of Higher Education. His research focuses on professions in academe, university restructuring, and science and technology issues in higher education.
